

The High Spec Composites Engineering Excellence Award

The Engineering Excellence Award is open to businesses of all sizes who are engineering and manufacturing quality products or components within the Cherwell District.

Applicants should:

- Have been trading for more than 1 year, with at least one EOY financial statement available.
- Be able to demonstrate how they are investing in and developing products, skills, or processes to maintain, improve or grow the business.
- Have excellent leadership with a business strategy to support long-term success.
- Have a clear understanding of current and new markets plus opportunities for growth.

Judges would also be interested to find out:

- Location of supply chain and customer base
- If the business has policies or plans in place for sustainability or a net-zero future
- How the business and management have overcome challenges
- How the business manages quality assurance
